Same Day or Walk In

Does my PMR Clinic offer same-day or walk-in appointments?

Your PMR Clinic offers same-day appointments to ensure everyone's needs are met in a timely manner.

For a same-day appointment, you call ahead to schedule a visit for a specific time slot that same day. A walk-in appointment is when you go to the clinic without calling and are seen based on staff availability, often after hours of waiting. We make every effort to ensure you are seen as soon as possible!
